

Notification For Distribution Of Proceeds From EPA Auctions

Step 1

Provide your Authorized Account Representative (AAR) or Alternate AAR identification:

Name (please print)	AAR ID# (or Alternate)
Phone #	Plant Name and ORIS Code

EPA will send one check for each plant that you represent for the proceeds from the auctions of allowances. Proceeds checks will be mailed no later than 90 days following the conclusion of the auction. If you are the AAR, or alternate AAR, for multiple plants and the checks are to be endorsed to the same company, either submit a separate form for each plant or attach a list of the plants and ORIS codes. A separate form must be submitted for each plant or list of plants where the check is endorsed to a different company. You do not need to complete this form for plants that did not have any allowances withheld for the auctions and will not receive proceeds. As the AAR, or alternate AAR, you are responsible for designating to whom proceeds checks should be made payable. **All checks will be sent to the current AAR.**

Step 2

The proceeds check should be endorsed to:

Company Name
Taxpayer ID. No. _ _ _ _ _

Step 3

I understand that EPA will continue to make the checks payable as indicated above until I give new written instructions to EPA.
